

FOR IMMEDIATE RELEASE

VJ Electronix Promotes Frank Cosentino to Western Regional Sales Manager for the Americas

June 2018 — VJ Electronix, Inc., a leading global provider of advanced X-ray inspection, component counting systems and PCB rework technologies, today announced the promotion of Frank Cosentino to Western Regional Sales Manager for the Americas. In this capacity, he will be responsible for the VJE sales activity in the western half of the US, including British Columbia and Baja Mexico.

“VJ Electronix is fortunate to have a talented staff and is proud of our ability to promote from within,” commented Ron Lindell, VJE Global Sales Manager. Please join me in wishing Frank much success in his new role.”

Cosentino has been part of VJE since its start in 2003, and has served in variety of technical support, sales and product management roles. He has a wealth of knowledge regarding VJE’s rework and X-ray products as well as customer base. Cosentino is based out of VJE’s Chelmsford, MA headquarters.
